WORK SCHEDULES

Since TSO work schedules are based upon the operational needs of the airport and may include non-traditional shifts, weekends, and holidays. Virtually no flexibility is offered to accommodate other commitments or employment/academic schedules. However, under the Collective Bargaining Agreement, TSA does allow one way trades and shift trades to assist with schedules.

This airport is currently assessing candidates for full-time positions with a tour of duty of 40 hours per week. This consists of 5 days of 8 hours per day during the morning, afternoon, and evening shifts. Specific shifts are assigned after new hires successfully complete their training and are subject to periodic adjustments.

TSA employees are considered emergency personnel and are expected to report for duty during inclement weather regardless of state and local restrictions on travel.

BENEFITS

Federal employees working full-time or part-time are eligible for Federal benefits and retirement once eligibility requirements are met. Health insurance is offered through the Federal Employees Health Benefits (FEHB) program. The health benefit program has many plans to choose from and all at group rates, which can be paid for with pre-tax income.

Newly hired Federal employees are automatically covered under the Federal Employees Group Life Insurance (FEGLI) program. The life insurance value is based on the employee's salary and whether Optional insurance is elected. Other benefit programs available include the Thrift Savings Plan, Federal Flexible Spending Account, Federal Long Term Care Insurance, Federal Dental, Vision coverage, and the Employee Benevolent Fund. Federal employees also earn leave to be used for vacation or illness. If offered a position with TSA, you should make sure that you ask for and receive a full explanation of the benefits you are eligible for and timeframes for electing coverage, before accepting a job offer.

TSO DRESS AND APPEARANCE RESPONSIBILITIES

TSO uniforms are provided to employees by the agency. Employees must comply with a personal appearance standard that places restrictions on certain accessories and grooming while in uniform. This includes: eyewear, jewelry, facial hair, hair, makeup, tattoos, and fingernails, as well as, the use of chewing gum, tobacco, and personal electronic devices.

DUAL FEDERAL EMPLOYMENT RESTRICTION

TSA has a strict policy governing dual Federal employment that limits the number of hours that an employee can work to 40 hours or less per week. Only specific positions within the U.S. Postal Service, the U.S. Census Bureau, the National Oceanic and Atmospheric Administration, the U.S. Office of Personnel Management, and the Government of the District of Columbia qualify for an exception to this 40 hour limitation. In addition, dual employment cannot conflict with your official TSA duties, nor can it affect your fitness for duty or ability to report to work on time. Since TSA would be considered the primary employer for the purposes of scheduling work, assigning shifts, scheduling training, approving leave, etc., it is incumbent upon the employee to resolve any scheduling conflicts with the other Federal agency.
